

PILATES

on the lake

enrich your *Education*

Enrich your Pilates education by traveling and earning apprenticeship hours in a brand new, state-of-the-art studio under the guidance of three Boulder graduates!

This is a rare opportunity to *advance your Pilates training through real-life experience* assisting and observing our highly skilled team of Boulder graduates. We will mentor you in a full-range of private, semi-private and group sessions, including beginning, intermediate and advanced mat and equipment classes, as well as specialty instruction in pre- and post-natal Pilates, Pilates for injury and therapeutic exercise.

Our 2000+ sq. ft. studio boasts a very professional and inspirational atmosphere in a suburban lake community. As part of our apprentice program, we offer an excellent salary and accommodations in a beautiful Lake Home only 20 minutes from the Pilates studio!
